Our January club night on January 10<sup>th</sup> will be a social night to talk about what presents you got for Christmas.

At the AGM it was mentioned that during club ride outs some junctions are not marked quite as well as they could be. Our **February** meeting will be used to discuss this in more depth.

We are turning right, where do you mark the junction?

## NAM OPEN DAY - 2023

We are pleased to be able to organise our next Open Day without any restrictions such as those imposed by Covid over the last couple of years.

The order will follow the successful format of past Open Days and our friends at Quorum Business Park have very kindly allowed us the use of the great space they have.

Our Marketing Lead, Keith Miller will be asking for assistance from club members to manage the event, so please watch out for that request.

The event will take place on Saturday 13 May 2023 at the event space at Quorum.

The sole aim of your committee is to ensure the club continues to run and meet its objectives. They are selected by the membership to serve all members of the group, so it is both the right and responsibility of each member to ensure any issues, queries, concerns etc. are brought to the attention of the committee as soon as possible.
